

Public Notice Submission

Provider Name: LBH, L.L.C .

Summary: LBH, L.L.C. received notification of an award for a BIP Grant for the rural portion of the community of Moss Bluff and all of the communities of Vinton and Oakdale, Louisiana on February 18, 2010. In preparing for this challenge, LBH noticed that NTIA has received one or more applications covering census blocks within the areas awarded. LBH, in its filing, is listing the awarded census blocks being contested. These blocks can be easily identified since no subscribers are listed in the areas. ----- For other areas not included in the grant, LBH, L.L.C. has been offering high speed broadband service throughout its service area in Grand Lake for 6 years and the community of Moss Bluff for 3 years. The service is provided using FTTH technology.
