**THIS AWARD NOTICE IS PROVIDED FOR INFORMATION PURPOSES ONLY.**

A GSA MOBIS Schedule 874 Task Order has been awarded for the National Telecommunications and Information Administration (NTIA), Broadband Technology Opportunities Program Evaluation Study using RECOVERY ACT funds.

The order is for a non-severable period of performance from September 20, 2010 to September 30, 2014. The total funded amount of this order is \$4,967,177.00.

Awardee: ASR Analytics, LLC – GSA Schedule Number: GS-10F-0062R.

The Department of Interior National Business Center's Acquisition Services Directorate (AQD) on behalf of the Department of Commerce is awarding a task order to obtain Contractor provided services to complete and Evaluation Study of the Broadband Technology Opportunities Program (BTOP). The contractual action (Task Order Award) will provide all services necessary to develop a sampling method, assessment criteria and method of analysis to conduct a thorough assessment of the impact that the Broadband Technology Opportunities Program (BTOP) grant awards are having on broadband availability and adoption and in achieving economic and social benefits in areas serviced by the grantees. This requirement is being funded with Recovery Act funds. The services are determined to be non-severable in nature. Services procured as a result of this acquisition will be non-personal services, and the duties outsourced are not inherently government functions.

This will be a Firm-Fixed-Price effort.

AQD is an ISO 9001 certified federal organization with a well-trained acquisition staff, offering Federal managers solutions by managing complex acquisition processes. We have a highly trained and educated team of acquisition professional ready to help clients manage the complexities of Federal acquisition, while employing best practices to achieve client goals at every stop in the process.
