Write "0" in the second column and "N/A" in the third column if your project does not yet have this information. Depending on whether your project contains Middle Mile and/or Last Mile components, some metrics may not apply. Please provide a narrative description if the total is different from the target provided in your baseline plan (600 words or less).

Cost Indicator	Average Cost / Speed	Narrative (describe your reasons for any variance from the baseline plan or any other relevant information)
Average cost per new mile (Middle Mile)	0	n/a Network not yet deployed.
Average cost per household passed (Last Mile)	0	n/a Network not yet deployed. When operating will be Middle Mile only.

14. Please describe any best practices/lessons learned that can be shared with other similar BTOP projects (900 words or less).

Due to the pending Grantee Substitution request, we have not spent any grant funds through the fourth quarter. The request should be finalized in January 2011. Because we were the first grant recipient to request this, the process was unclear and there were many starts and stops. The lessons learned were to work closely with the Federal Program Officer and to be extremely flexible with time frame targets whenever engaged in a process that is not part of the normal program processes.
