10a. If the project is not fully staffed, describe how any lack of staffing may impact the project's timeline and when the project will be fully staffed.

The Manager, Broadband Community Development resigned as of March 30, 2012. With the impending changes in state reporting structure for the grant in Q3CY2013, we will reassess the proposed focus for this FTE and determine if it is still appropriate or needs to be reconsidered. The loss of this FTE could affect Capacity Building,Technical Assistance and Application Usage projects. This will be further evaluated in the restructure during Q3CY13.
