**OVERALL PROJECT PERFORMANCE INDICATORS**

1. Please provide the following average cost figures for your project. Please review the instructions to determine how to calculate these figures. Write "0" in the second column and "N/A" in the third column if your project does not yet have this information. Depending on whether your project contains Middle Mile and/or Last Mile components, some metrics may not apply. Please provide a narrative description if the total is different from the target provided in your baseline plan (600 words or less).

Cost Indicator	Average Cost / Speed	Narrative (describe your reasons for any variance from the baseline plan or any other relevant information)
Average cost per new mile (Middle Mile)	\$37,139.79	460 miles of Backbone or Middle Mile construction at a cost of 17,084,303.
Average cost per household passed (Last Mile)	\$3726.43	Baseline projection was \$5061.81, with the anticipation that this number will more than likely rise as the project nears completion.
Average cost per subscriber (Last Mile)	0	N/A There are no subscribers for service as of 12-31-12.
Maximum broadband speed advertised (Middle Mile)	N/A	N/A
Maximum broadband speed advertised (Last Mile)	N/A	N/A
Average broadband speed provided (Middle Mile)	N/A	N/A
Average broadband speed provided (Last Mile)	N/A	N/A

2. Please provide each facility name and type, the county where the facility is located, and census tract information for any facilities funded by your project during this annual reporting period. Report only facilities for which construction has been completed.

Facility Identifier / Name	Facility Type	County	Census Tracts
N/A	N/A	N/A	N/A

Add Facility

Remove Facility

3. Please identify (1) the total number of interconnection, peering, and/or transit agreements entered into during this annual reporting period; (2) the total number of agreements of each type that you are currently negotiating; and (3) whether you have denied any request for interconnection and if so, why. If you have not entered into any agreements, please write "N/A."

**Interconnection Agreements (600 words or less)**

N/A

**Peering and Transit Agreements (600 words or less)**

**CAPACITY, UTILIZATION, AND CAPABILITY INDICATORS**

**4. Community Anchor Institutions:** In the chart below, please provide information on the types of community anchor institutions capable of receiving service (i.e., anchor institutions connected to your network plus those passed by your network) as a result of BTOP funds.

Type of Community Anchor Institution	Total Number Within Service Area	Type of Community Anchor Institution	Total Number Within Service Area
Schools (K-12)	1	Public Housing	0
Libraries	1	Other Institutions of Higher Education	2
Medical and Healthcare Providers	6	Other Community Support Organizations	0
Public Safety Entities	2	Other Government Facilities	2
Community Colleges	0	Total Community Anchor Institutions	14

**5. Please indicate the average increase in broadband speed provided to the community anchor institution customers as a result of your project, including a description of how this increase was calculated (600 words or less).**

Not applicable as services have not been turned up as of 12-31-2012.

**6. What retail services are being provided by this project? Please describe below. (600 words or less). As an attachment to this report, please provide pricing plans (in \$ per month) associated with each retail service. Retail services description:**

Pend Oreille PUD dba Community Network Systems has entered into agreements with Local Service Providers for a variety of retail services all of which will be finalized in 2013. To date, pricing is still being determined by each of the Service Providers and will be available once finalized.

**7a. What network management policies (e.g., bandwidth limitations, traffic prioritization) are in place for the services provided by your project? 7b. Have you ever limited or blocked consumers from accessing any lawful content, service, service provider, or application, or prevented any consumers from attaching any legal device to the network? If so, please explain why (300 words or less)?**

Policies addressing network management are in development for the expanded network. These policies will soon be implemented and will have at their core the equitability mandated by the Federal Communications Commission. The District has never limited access and only monitors packets in accordance with the provisions required of the Communications Assistance for Law Enforcement Act (CALEA).

**8. If applicable, please provide the total number and the percentage of subscribers who have dropped the broadband service provided through this project (total number of households and/or businesses and the "churn rate") and the subscribers' reasons for discontinuing their service (600 words or less).**

				Active	Leased	Dark
31,000	0	0	25,368	5,632	0	0

**10. If you wholesale dark fiber, please list your wholesale customers and the number of fiber miles you currently are leasing to those customers:**

N/A

**11. Please provide the following information regarding the facility collocation capacity:**

Total Facility (total square feet for all facilities)	Number of Square Feet Used by Recipient	Number of Square Feet Leased	Number of Square Feet Available
0	0	0	0

DATE: 02/13/2013

**12. If you do not own collocation space, please describe how and where other network providers and/or customers interconnect with your network (600 words or less).**

Providers can interconnect with our network at several interconnection points or at the network hub in the US Bank building in Spokane, WA. Interested parties may contact the Pend Oreille Public Utility District #1 for further information, or visit our website at [www.popud.org](http://www.popud.org).

**13. To the extent that you have made any subcontracts or sub grants, please provide the number of subcontracts or sub grants that have been made to socially and economically disadvantaged small business (SDB) concerns as defined by section 8(a) of the Small Business Act, 15 U.S.C. 647, as modified by NTIA's adoption of an alternative small business size standard for use in BTOP. Please also provide the names of these SDB entities (150 words or less).**

None at this time in the project.

**14. Please describe any best practices/lessons learned that can be shared with other similar BTOP projects (900 words or less).**

Clear and open communication with your Federal Program Officer allows for a smooth and cooperative relationship during the award process. Commitment to share lessons learned with all unserved and underserved community leaders. Building the project with openness to all interested parties seeking to expand broadband services in rural environments.

**15. Using the Excel spreadsheet template titled "Annual PPR CCI Addendum", please provide an updated list of Community Anchor Institutions (CAIs) that you have connected and plan to connect to your network.**

**16. Using the Excel spreadsheet template titled "Annual PPR CCI Addendum", please provide a list of community pairs that are receiving new or improved broadband service as a result of BTOP grant funds.**

**17. Please provide up-to-date network route maps in a single file, in a Google Earth compatible format (e.g., KMZ file).**
