1. Please describe significant project accomplishments completed during this quarter (600 words or less).

October 1, 2010 grant-in-aid agreements were signed by project partners. Planning activities included reviewing and revising where necessary the proposed project implementation timeline, initiating equipment purchases (obtaining updated quotes and completing internal purchase documentation) and continued coordination of outreach events for the CLAN member libraries. Award announcements continue to be made: four CLAN member library communities had award announcements published in local newspapers and Henderson District Public Library patrons continue to receive award announcements in regular mail and website communications.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Percent Complete column and "N/A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline report, please insert them at the bottom of the table. Figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).
