**PROJECT INDICATORS**

1. Are you establishing new Public Computer Centers (PCCs) or improving existing PCCs?

New     Improved     Both

2. How many PCCs were established or improved, and what type of institution(s) were they associated with? Please provide actual total numbers to date. Figures should be reported cumulatively from award inception to the end of the most recent calendar year. Recipients should only count the PCCs that were fully established or in which improvements have been fully completed in that year (that is, partial improvements should not be counted).

**7. Please describe how your Public Computer Center(s) promotes economic recovery in your area, such as through providing job training, access to job searches, online course offerings, certifications and the like (600 words or less).**

As the fully executed award document was not received until 9/21/2010, most activities thus far have centered around initial procurements and deployment planning. Since no PCCs have yet to be established or improved using the BTOP funds, no economic recovery can be reported for this calendar year.

**8. To the extent that you have made any subcontracts or sub grants, please provided the number of subcontracts or sub grants that have been made to socially and economically disadvantaged small business (SDB) concerns as defined by section 8(a) of the Small Business Act, 15 U.S.C. 647, as modified by NTIA's adoption of an alternative small business size standard for use in BTOP. Please also provide the names of these SDB entities (150 words or less).**

There are no subcontracts or sub grants for this award.

**9. Please describe any best practices / lessons learned that can be shared with other similar BTOP projects (900 words or less).**

Since PCC establishment/improvement is still in the startup phase, we have no best practices / lessons to share for this calendar year.
