

Public Notice Submission

Provider Name: Callaway Telephone Company (ACS)

Summary: Callaway Telephone Company dba Arvig Communication Systems ("ACS") is a small rural operator providing video, voice, and data as well as other communications services in rural central Minnesota. Since incorporation some sixty years ago, Callaway's serviceable area includes portions of Becker Counties with significant subscribership in the community of Callaway. Callaway respectfully requests relief and seeks withdrawal of the enclosed proposed census tracts that fall in line with Callaway's service area. Callaway Telephone Company owns and provides fiber optic cable broadband as well as DSL broadband services that are available to 100% of the number of households passed. Broadband services are offered at reasonable rates that remain competitive with other broadband providers throughout central Minnesota.
