

Public Notice Submission

Provider Name: Southwest Texas Telephone Company

Summary: Southwest Texas Telephone Company has been serving the telecommunications needs of the Western Texas Hill Country since 1898. The Company holds a Certificate of Convenience and Necessity covering a service territory of 3,600 square miles of rural Texas, including the five small towns of Barksdale, Camp Wood, D'Hanis, Rocksprings and Utopia. The Company provides broadband services through ADSL throughout its certificated area and in some very remote areas through wireless broadband at 700 Mhz and 900 Mhz.
