- a. The advanced method of payment shall be authorized unless otherwise specified in a special award condition.
- b. Payments will be made through electronic funds transfers, using the Department of Treasury's Automated Standard Application for Payment (ASAP) system and in accordance with the requirements of the Debt Collection Improvement Act of 1996. **The following information is required when making withdrawals for this award: (1) ASAP account identification (id) = award number found on the cover sheet of this award; (2) Agency Location Code (ALC) = 13060001; and (3) Region Code = 02.** Recipients do not need to submit a "Request for Advance or Reimbursement" (SF-270) for payments relating to this award. **All non-ASAP Recipient Organizations must enroll electronically. Advances taken through the ASAP shall be limited to the minimum amounts necessary to meet immediate disbursement needs. All funds returned to the ASAP system will be credited to the ASAP Suspense Account. The Suspense Account allows the Regional Financial Center to monitor returned funds and ensure that they are credited to the correct ASAP account. Returned funds that cannot be identified and classified to an ASAP account will not be accepted and will be returned to the originating depository financial institution (ODFI).

It is essential that the Payment Requestor/Recipient Organization provide its financial institution with ASAP account information (ALC, Recipient ID and Account ID) to which the returned funds are to be credited. Additional detailed information can be found at: <http://www.fms.treas.gov/asap/pay-return2.pdf>

There is a 10-day deadline for the head of the organization to initiate recipient enrollment upon receipt of ASAP registration notification. Failure to comply could subject the award to a change in the method of payment to reimbursement only.

12. Post-Award Reporting Requirements

The recipient shall submit a "Financial Status Report" (SF-425) on a quarterly basis for the periods ending March 31, June 30, September 30, and December 31 or any portion thereof. Reports are due no later than 30 days following the end of each reporting period. A final SF-425 shall be submitted within 90 days after the expiration date of the award.

The SF-425 shall be submitted electronically as long as it reflects an electronic signature/date.

The recipient shall submit program-specific quarterly performance reports electronically to the Federal Program Officer in the same frequency as the Financial Status Report (SF- 425) unless otherwise authorized by the Grants Officer. The Federal Program Officer will provide updated instructions for accurate report completion at least 30 days prior to reporting period end date.

13. Baseline Project Plan

Recipients shall submit baseline project plans and details regarding key outputs and outcomes from their projects within 45 days of the close of the first quarter. Federal Program Officers will provide guidance on the format and content of these baseline plans and details for this one-time data gathering activity.

14. Notice of Limited Waiver of Section 1605 (Buy American Requirement) of the American Recovery and Reinvestment Act of 2009 (ARRA)

In accordance with Section 1605 of the Recovery Act, the Secretary of Commerce has granted a limited waiver of the Recovery Act's Buy American requirements with respect to certain broadband equipment that will be used in projects funded under the BTOP. A description of this equipment is included in the notice of waiver published in the Federal Register at 74 FR 31410 (July 1, 2009).

15. Nondiscrimination and Interconnection

The recipient shall comply with the nondiscrimination and network interconnection obligations set forth in section V.D.3.b of the NOFA and in Section 6001(j) of the Recovery Act. Recipients may be asked to provide supporting documentation upon request from the Grants Officer. Failure to comply with this provision of the award may be considered grounds for any or all of the following actions: establishment of an account receivable for affected BTOP award, withholding payments under any and all BTOP awards to the recipient, changing the method of payment from advance to reimbursement only,

or the imposition of other special award conditions, suspension of any BTOP active awards, and termination of any BTOP active awards.

16. Davis-Bacon Act Requirement

Consistent with U.S. Department of Commerce American Recovery and Reinvestment Act Award Term A.3., the Recipient shall obtain and maintain in its official records documentation of weekly certified payroll reports and the Statement of Compliance from itself and all subrecipients, contractors, and subcontractor(s) in accordance with Section 1606 of the American Recovery and Reinvestment Act of 2009 and the Davis-Bacon Act.

Davis-Bacon prevailing wage requirements apply to mechanics and laborers employed under federally assisted contracts or subcontracts in excess of \$2,000 for construction, alteration, or repair (including painting and decorating) of public buildings or public works, pursuant to Department of Labor regulations at 29 C.F.R. Parts 1, 3, and 5.

The Recipient is not required to submit this documentation to NIST, except in response to a request for this information from its Grants Officer. The authorized representatives and agents of NIST shall be permitted to inspect all work, materials, payrolls, personnel records, invoices of materials, and other relevant data and records.

Ten days prior to bid opening, any party soliciting a subrecipient, contractor, or subcontractor for work under this Award to which Davis-Bacon wage determinations apply must verify whether there have been any updates to the applicable Davis-Bacon wage determinations by reviewing the Department of Labor Wage Determinations OnLine website, free of charge, at www.wdol.gov. If there have been updates to the wage determinations, then these updated wage rates must be issued in a bid addendum. The Davis Bacon wage rates that are current ten days prior to the bid opening are the wage rates that will govern work performed under such solicitation.

17. No Duplication of Funding

No federal funds may be used to duplicate services, connections, facilities, or equipment that have been authorized through another federal program. To the extent that a BTOP project is later deemed to include duplicate funding from another federal program, the Grants Office and NTIA reserve the right to remove the costs associated with the duplication or reallocate the funds to allowable activities within the project.

18. Indirect Costs used as Cost Share

Recipients who are proposing foregoing any portion of indirect costs as cost share and more than 10% of total project cost must have a negotiated indirect cost rate with a cognizant federal agency at the time of award and documentation of the NICRA must be received by the Grants Office within 30 days of award. If such a rate does not exist, the recipient has 30 days to submit an Indirect Cost Rate proposal to the Department of Commerce or identify alternative sources of matching funds. The recipient is not allowed to obligate, expend, or draw down any funds until this documentation is received by DOC, the Grants Office and NTIA.

19. County of Monterey

Several community college sites are included in this project. To avoid duplication of federal funding, the recipient shall be required to provide, within 30 days of grant award, a document explaining how its activities will not be redundant with those of EGID 6303, Foundation for California Community Colleges (previously awarded by the program). If necessary, the recipient shall include in the plan a proposal to apply any residual funds to another eligible project component. The plan shall be approved by NTIA before County of Monterey begins activities related to the community college sites.
