Project Indicators (This Quarter)

1. Please describe significant project accomplishments completed during this quarter (150 words or less).
 -Finalized Material Supplier Agreement (cable and hardware vendors), 95% of construction vendor RFP process completed
 -Completed 90% of Pole Survey, completed 90% of pole line engineering, completed 75% of bridge crossing engineering
 -Submitted over 400 pole attachment license requests to pole owners
 -Completed IRU agreements with the University System and GWI (CLEC)
 -Advanced the Advisory Board to work with community anchor institutions (CAIs) on laterals

2. Please provide the percent complete for the following key milestones in your project. Write "N/A" in the second column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (100 words or less).

	Milestone	Percent Complete	Narrative (describe reasons for any variance from baseline plan or subsequent written updates provided to your program officer)
2a.	Overall Project	10	N/A
2b.	Environmental Assessment	100	FONSI complete and posted to BTOP site
2c.	Network Design	100	Complete, informed RFP process for vendors
2d.	Rights of Way	100	Rights of way not required
2e.	Construction Permits and Other Approvals	20	Attachment agreements 98% complete, 400+ attachment license requests submitted to pole owners, with ~40 to go, bridge approvals in progress
2f.	Site Preparation	10	Pole survey underway and 90% complete, pole owner make-ready has begun, pole line games have been staked for pole placement
2g.	Equipment Procurement	25	RFP process complete for materials
2h.	Network Build (all components - owned, leased, IRU, etc)	5	Major construction to start in November 2010
2i.	Equipment Deployment	0	N/A on this project (dark fiber network)
2j.	Network Testing	0	Post construction activity
2k.	Other (please specify): N/A	0	N/A

3. To the extent not covered above, please describe any challenges or issues faced during this past quarter in achieving planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (150 words or less).
 N/A

4. Please report the following information regarding network build progress. Write "N/A" in the second column if your project does not include this activity. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (100 words or less).

Indicator	Total	Narrative (describe your reasons for any variance from the baseline plan or any other relevant information)
New network miles deployed	5	Pilot section in Brunswick
New network miles leased	0	None
Existing network miles upgraded	0	None
Existing network miles leased	0	None
Number of miles of new fiber (aerial or underground)	0	None
Number of new wireless links	0	None
Number of new towers	0	None
Number of interconnection points	11	N/A

For questions 5 and 6 please include information relating to agreements that you are negotiating or have entered into, or that your subrecipient, contractor or subcontractor is negotiating or entered into.

5a. If applicable, please provide the following information with regard to agreements with broadband wholesalers and/or last mile providers as a result of your project.

Indicators

EXPIRATION DATE: 12-31-2010

Indicators	
Number of signed agreements with broadband wholesalers or last mile providers	1
Number of agreements currently being negotiated with broadband wholesalers or last mile providers	4
Average term of signed agreements	20

5b. Please list the names of the wholesale and last mile providers with whom you have signed agreements. Providers:
 GWI

5c. What wholesale services are being provided by this project? Please describe below. As an attachment to this report, please provide pricing plans (in \$ per month) associated with each wholesale service provided by your product. Wholesale services description:
 Dark Fiber. Our price list is published at www.mainefiberco.com. Dark fiber prices range from \$9-\$15 per mile, per strand, per month.

5d. If you have designated a third party to operate all or a portion of your network, please provide the name and contact information for this third party, indicate if this entity is a subrecipient, contractor, and/or subcontractor, and describe with specificity the portion of your network this third party operates (150 words or less).
 Tilson Fiber Technology, LLC (sub-recipient)- info@tilsontech.com, will manage leasing and maintenance operations on the network. Because this is a dark fiber network, telecom carriers will light and operate their own networks.

6. Please provide the data according to the type of subscriber. Write "N/A" if your project does not pass or serve a particular subscriber type. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (100 words of less).

3. Please describe any challenges or issues anticipated during the next quarter that may impact planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (150 words or less).

Make-ready volume will be much higher than pole owners are used to managing and executing and this could lead to delays-we expect this to be a common problem across projects nationally.

Infrastructure Budget Execution Details

Activity Based Expenditures (Infrastructure)

1. Please provide details below on your total budget, cumulative actual expenditures (for the period ending the current quarter), and cumulative anticipated expenditures (for the period ending next quarter) for each line item, including detailed disbursements of both matching funds and federal funds from project inception through end of this quarter (actual) or next quarter (anticipated).
