**7. Please describe how your Public Computer Center(s) promotes economic recovery in your area, such as through providing job training, access to job searches, online course offerings, certifications and the like (600 words or less).**

The Crook County - Central Oregon Community College Computer and Education Center will provide a community college presence in Prineville and Crook County, one of the most distressed regions in Oregon. Educational offerings will be targeted at skills needed by the available workforce, and to provide education and training opportunities for tomorrow's workers. As Crook County struggles to improve economic opportunities for it's citizens, building upon the community's asset of an available workforce is essential.

**8. To the extent that you have made any subcontracts or sub grants, please provided the number of subcontracts or sub grants that have been made to socially and economically disadvantaged small business (SDB) concerns as defined by section 8(a) of the Small Business Act, 15 U.S.C. 647, as modified by NTIA's adoption of an alternative small business size standard for use in BTOP. Please also provide the names of these SDB entities (150 words or less).**

N/A. Contracting for facility construction will take place during Q1 of 2011. Reporting of SDB concerns will be included within the 2011 annual report.

**9. Please describe any best practices / lessons learned that can be shared with other similar BTOP projects (900 words or less).**

N/A. This project is in start-up phase; lessons learned will be reported within the 2011 annual report.
