The **Frenchman's Bay Library** of Sullivan, Maine is committed to fully supporting and participating in the Maine Public Library Information Commons Project BTOP Grant as proposed in the attached Executive Summary. Our library is committed to making access to the Internet available to all members of the general public.

The library will work with the Maine State Library, Maine Infonet, the Maine regional Library system and the Area Reference and Resource Centers to accomplish the goals of the project.

(If your library only allows access to a specific population or charges membership dues or other fees for the population you are proposing to serve, please explain how these charges are consistent with the public interest please explain below.)

Explanation - only if your library has restrictions to Internet Access.

Our Library does not restrict Internet Access in any way.
