Project Indicators (This Quarter)																																																			
<p>1. Please describe significant project accomplishments completed during this quarter (600 words or less).</p> <p>Zayo requested a Termination for Convenience with an effective date of 9/30/11 for this project. Zayo Bandwidth, LLC was absorbed by its parent Zayo Group, LLC. Zayo has asked for a termination for convenience of the current grant and is asking NTIA and BTOP to reissue the grant under a new grant to Zayo Group, LLC. Zayo is pursuing this course of action under the direction of NTIA and BTOP. Zayo is continuing to build and fully commit to this project because of our commitment to both the project and or faith in the NTIA and BTOP. Zayo has continued to build and is actually at 38% build based on dollars spent and 41% based on actual miles built (264 miles of 645). This information will be on the first quarter report of our new award.</p> <p>Zayo I- Light applied for 480 permits by 9-30 2011 Rail Road -40 INDOT – 214 County – 163 City – 73 As of 9-30-2011 62% of the permits have been approved <ul style="list-style-type: none"> • Executed pole attachment agreements with 20 REMC's, 2 AHJ's and two City's Total Project: 16,205 pole attachments. 3. To the extent not covered above, please describe any challenges or issues faced during this past quarter in achieving planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

Please see #1 above.

4. Please report the following information regarding network build progress. Write "0" in the Total column and "N/A" in the Narrative column if your project does not include this activity. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (600 words or less).

Indicator	Total	Narrative (describe your reasons for any variance from the baseline plan or any other relevant information)
New network miles deployed	140	This is behind our baseline. This has to do with the issues in 3 above.
New network miles leased	0	This is on target.
Existing network miles upgraded	0	This is on target.
Existing network miles leased	0	This is on target.
Number of miles of new fiber (aerial or underground)	140	This is behind our baseline. This has to do with the issues in 3 above.
Number of new wireless links	0	This is on target.
Number of new towers	0	This is on target.
Number of new and/or upgraded interconnection points	0	This is 41% behind our baseline.

For questions 5 and 6 please include information relating to agreements that you are negotiating or have entered into, or that your sub recipient, contractor or subcontractor is negotiating or entered into.

5a. If applicable, please provide the following information with regard to agreements with broadband wholesalers and/or last mile providers as a result of your project.

Indicators	
Number of signed agreements with broadband wholesalers or last mile providers	0
Number of agreements currently being negotiated with broadband wholesalers or last mile providers	30
Average term of signed agreements (in quarters)	0

5b. Please list the names of the wholesale and last mile providers with whom you have signed agreements (100 words or less). Providers:
Zayo is behind on our signed agreements because we are behind on our miles deployed.

5c. What wholesale services are being provided by this project? Please describe below. As an attachment to this report, please provide pricing plans (in \$ per month) associated with each wholesale service provided by your product (100 words or less). Wholesale services description:

None

5d. If you have designated a third party to operate all or a portion of your network, please provide the name and contact information for this third party, indicate if this entity is a sub recipient, contractor, and/or subcontractor, and describe with specificity the portion of your network this this third party operates (600 words or less).

None

6. Please provide the data according to the type of subscriber. Write "0" in the Total column and "N/A" in the Narrative column if your project does not pass or serve a particular subscriber type. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (300 words or less).

7. Please describe any special offerings you may provide (600 words or less).

None

8a. Have your network management practices changed over the last quarter? Yes No

8b. If so, please describe the changes (300 words or less).

N/A

9. Community Anchor Institutions:

Using the table below, please provide a list by service area of the community anchor institutions (including Government institutions) connected to your network as a result of BTOP funds. Figures should be reported for the most recent reporting quarter only (NOT cumulatively). Also indicate whether your organization is currently providing broadband service to the anchor institution. Finally, provide a short narrative description with examples of how institutions are using BTOP-funded infrastructure (300 words or less).

Institution Name	Service Area (town or county)	Type of Anchor Institution (as defined in your baseline)	Are you also the broadband service provider for this institution? (Yes / No)	Narrative description of how anchor institutions are using BTOP-funded infrastructure
None	None	None	N/A	None

Project Indicators (Next Quarter)**1. Please describe significant project accomplishments planned for completion during the next quarter (600 words or less).**

This agreement should be terminated.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Planned Percent Complete column and "N/A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the next reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).

	Milestone	Planned Percent Complete	Narrative (describe reasons for any variance from baseline plan or any other relevant information)
2a.	Overall Project	41	This is 57% under our baseline plan.
2b.	Environmental Assessment	100	This is on target.
2c.	Network Design	100	This is on target.
2d.	Rights of Way	100	This is on target.
2e.	Construction Permits and Other Approvals	100	This is on target.
2f.	Site Preparation	54	This is 56 behind our baseline because of delays in site procurement.
2g.	Equipment Procurement	100	This is on target.
2h.	Network Build (all components - owned, leased, IRU, etc.)	60	This is 40% behind our baseline because of delays in procurement.
2i.	Equipment Deployment	60	This is 40% behind our baseline because of delays in procurement.
2j.	Network Testing	0	This is 70% under our baseline because of permitting and build delays.
2k.	Other (please specify):	0	This is on target.

3. Please describe any challenges or issues anticipated during the next quarter that may impact planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

This award should be terminated.

Infrastructure Budget Execution Details

Activity Based Expenditures (Infrastructure)

1. Please provide details below on your total budget, cumulative actual expenditures (for the period ending the current quarter), and cumulative anticipated expenditures (for the period ending next quarter) for each line item, including detailed disbursements of both matching funds and federal funds from project inception through end of this quarter (actual) or next quarter (anticipated).
