<b>REASON(S) FOR AMENDMENT</b> The NT10BIX5570045 Board of Regents University of Wisconsin System Broadband Technology Opportunities Program (BTOP) grant has met the requirements of the Special Award Conditions (SAC) for National Environmental Policy Act (NEPA) compliance. The Final EA has been approved and the attached Finding of No Significant Impact (FONSI) has been signed by Wayne Ritchie, the Chief Administrative Officer, Office of Telecommunications and Applications. The analyses of the Final EA indicates that the proposed action is not a major Federal action significantly affecting the quality of the human environment. Restrictions on the release of funding associated with this SAC are removed as of the date of the lifting the EA SAC in the system. Attached there is a new Special Award Condition (SAC) which includes the environmental protection measures specified by consultations with regulatory agencies in the Final Environmental Assessment that are either required, or requested, to be included in the implementation of the Project to minimize impacts to environmental, historic and cultural resources.				
This Amendment approved by the Grants Officer is issued in triplicate and constitute an obligation of Federal funding. By signing the three documents, the Recipient agrees to comply with the Amendment provisions checked below and attached, as well as previous provisions incorporated into the Award. Upon acceptance by the Recipient, two signed Amendment documents shall be returned to the Grants Officer and the third document shall be retained by the Recipient. If not signed and returned without modification by the Recipient within 30 days of receipt, the Grants Officer may unilaterally terminate this Amendment.
