**Project Indicators (This Quarter)**

**1. Please describe significant project accomplishments completed during this quarter (150 words or less).**  
 e-Vermont is fully staffed across partners. VCRD staff led public forums in all 12 e-Vermont communities and launched priority projects selected by each location (approximately 10 – 14 projects per community). Two regional symposia and a statewide conference are scheduled. Vermont State Colleges designed a menu of 11 workshops to deliver in e-Vermont communities; the VT Small Business Development Center (VtSBDC) has a menu of 5 business oriented workshops. Future steps include creating online versions of these workshops. VtSBDC has begun one-on-one advising sessions. Digital Wish has IT support in place for all schools with netbooks delivered soon. The e-VT partners designed the second round application and set up a major outreach campaign. 2nd Round mid-December, work begins in January, 2011. As e-Vermont coverage in traditional media expanded, the e-VT online presence launched, including website, blog, Facebook and Twitter. Use of social media will grow quickly in the 4th Quarter.

**2. Please provide the percent complete for the following key milestones in your project. Write "N/A" in the second column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (100 words or less).**

|      | Milestone               | Percent Complete | Narrative (describe reasons for any variance from baseline plan or any other relevant information) |
|------|-------------------------|------------------|--|
| 2.a. | Overall Project         | 24               | -  |
| 2.b. | Equipment Purchases     | 2                | Delay in receiving netbooks from vendor; final project deadline remains unchanged.                 |
| 2.c. | Awareness Campaigns     | 25               | -  |
| 2.d. | Outreach Activities     | 10               | Slightly less than predicted because a major campaign began Oct 1                                  |
| 2.e. | Training Programs       | 0                | As with outreach, a run of trainings began Oct. 1  |
| 2.f. | Other (please specify): | 0                | -  |

**3. Please describe any challenges or issues faced during this past quarter in achieving planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (150 words or less).**  
 The coordination between Netbook vendor and the schools for purchase and delivery of Netbooks continues to slow equipment purchases; however, it hasn't seriously delayed the overall timeline of that project.

**4a. In the chart below, please provide the requested information on your BTOP grant-funded SBA activities. Please also provide a short description of the activity (100 words or less). Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter.**

| Name of the SBA Activity | Location of SBA Activity | Description of Activity (100 words or less)   | Size of Target Audience | Actual Number of Participants | New Subscribers (Households and / or Businesses) |
|--------------------------|--------------------------|---|-------------------------|-------------------------------|--|
| eVT Town Forums          | 12 eVT Communities       | Towns came together to provide input into priorities and to learn more about eVT services | 240                     | 273                           | 0  |

**4b. Please describe your method for determining number of households and/or businesses subscribing to broadband as a result of your SBA programs (100 words or less).**  
 The Vermont Department of Public Service is working with all Vermont broadband providers to determine the % of households in e-Vermont communities with broadband available that actually subscribe. We will be tracking the changes in these numbers over the two years. The changes in the 1st and 2nd quarter were: Grand Isle County: 28% to 32%; Newport City: 22% to 22%; Canaan:43% to 43%; Brighton: 23% to 25%; Cambridge: 74% to 74%; Bristol: 36% to 37%; Middlesex: 25% to 26%; W. Rutland: 40% to 41%; Ludlow 30% to 28%; Poultney: 36% to 39%; Sunderland-Arlington: 46% to 47%; Pownal: 26% to 26%
